

The path is yours.

BMO Ascent™ Portfolios

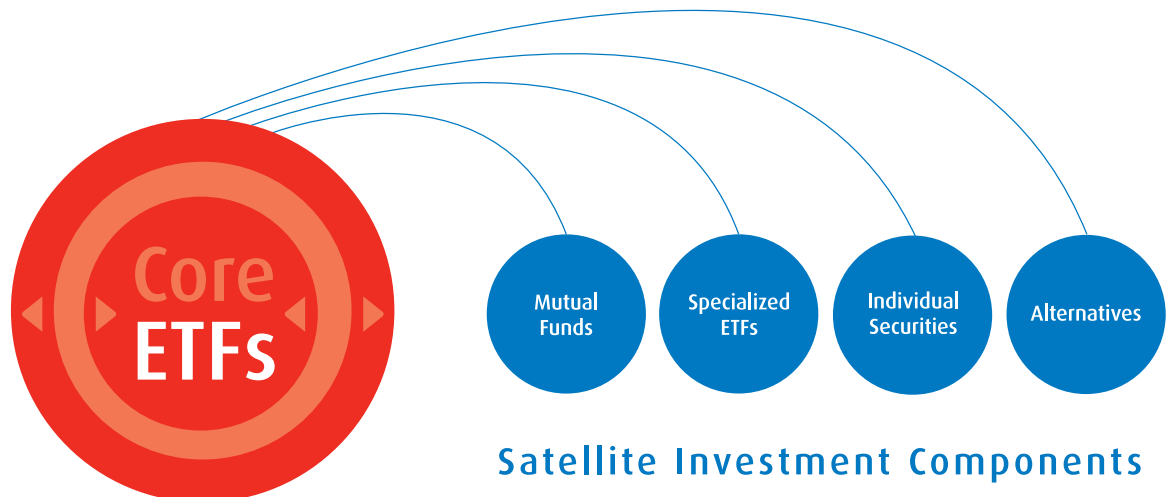

A new way to help grow your wealth

Designed to help you reach your long-term investment goals, BMO Ascent™ Portfolios combine a strategic core of exchange traded funds (ETFs) with satellite investments to help capitalize on opportunities in the market.

This dynamic investment approach, used by some of the world's largest pension funds, is aimed at helping you create long-term wealth.

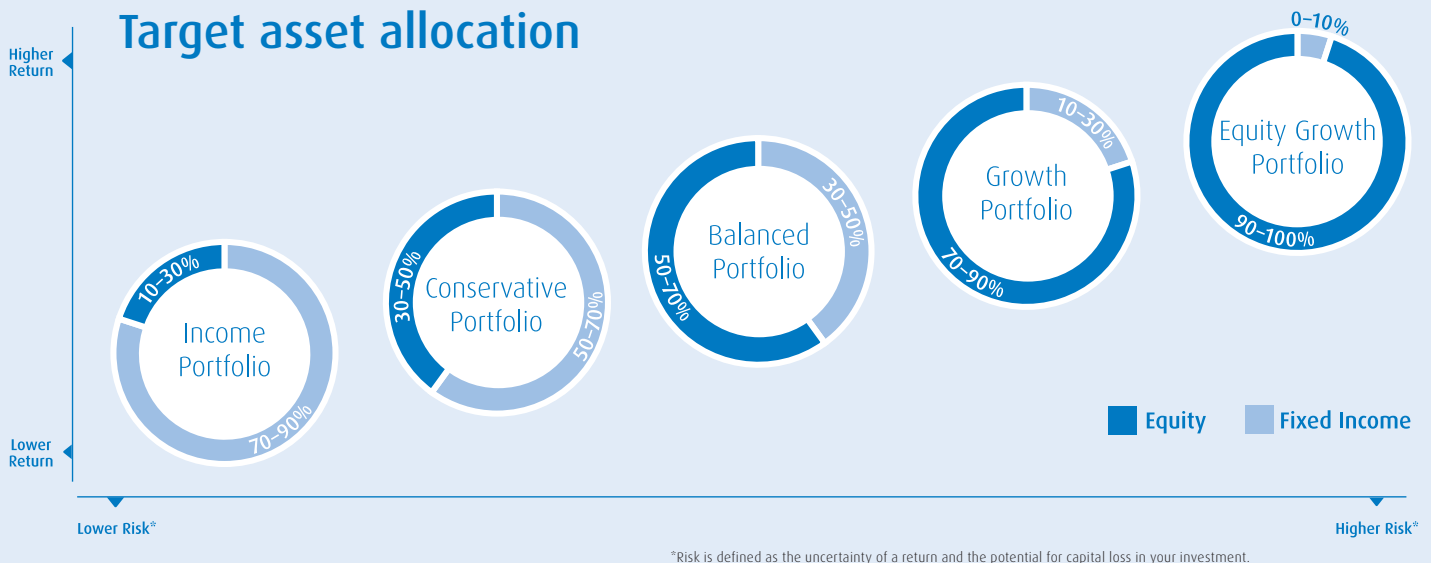

An optimal blend of investment strategies – one simple solution

BMO Ascent™ Portfolios apply a core-satellite approach to investing. Serving as the portfolio's foundation, the core ETF holdings consist of diversified investments that broadly represent the market. The satellite portion is designed to generate enhanced returns through targeted investment opportunities in specific sectors, geographies or asset classes.

The right path to help grow your wealth

Our five unique BMO Ascent™ Portfolios combine valuable features that – together – can help maximize returns to generate wealth over the long term.

Key benefits

BMO Ascent™ Portfolios give you access to an exclusive, sophisticated and cost-effective solution for a \$75,000 minimum investment.

• Expert professional management

With a proven track record for results, our expert portfolio managers are always working to add value to portfolios.

• Dynamic management

Based on ongoing market activity, portfolio managers may periodically adjust asset classes to capitalize on opportunities and minimize risks.

• Pension Style Investing

A blend of broad-based core investments with satellite opportunities, designed to enhance returns.

• Cost-effective

While featuring the advantages of managed investing, portfolios also integrate lower-cost ETFs that keep overall fees down.
